

myVTax Guide: How to Check the Status of a Return or a Refund

Without logging in, taxpayers may check the status of their Personal Income Return, refund, Homestead Declaration and Property Tax Adjustment, Renter Rebate status, estimated payments, and if they received a refund in the previous year, print their Form 1099G.

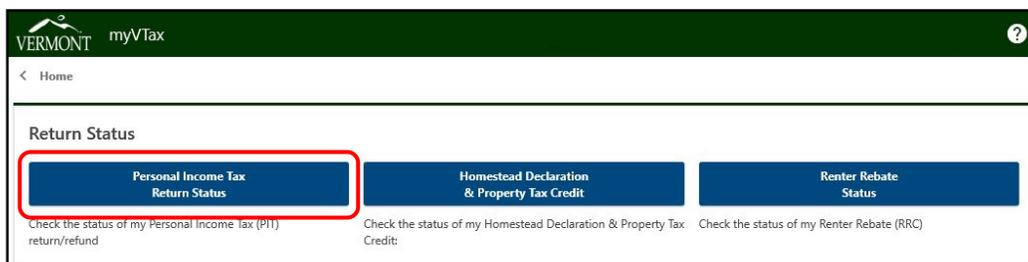

Step 1

From the myVTax.vermont.gov homepage, click **Check the Status of your Return** link in the **Returns** panel.

Step 2

You will be brought to a selection screen. Click on your choice. In this example, we are selecting **Personal Income Tax Return Status**.

Step 3

Enter in all required information.

- You will need to confirm that the ID you entered (ITIN or SSN) is correct.
- Enter your refund amount as it appears on your tax return.

Once all the fields are filled in, click the **Search** button.

Check the Status of Your Return

ID Type
 SSN v ITIN or SSN

ID Number *
Required

Confirm ID

Last Name *
Required

Zip Code *
Required

Exact Refund Amount
 0.00 ← IN-111 Line 26, or Line 28

Search

Step 4

You will then receive the results of your search.

Refund Status

Your return was received on 1/2/2020. Returns are processed in the order we receive them. [Click here for information on current processing times.](#)

When is this information updated?
 We update this information Monday through Friday between 4:30 and 5:00pm EST.

Will I get better information if I call?
 Our tax examiners have the same information that you receive here. Using this tool gets you the information faster.

What could slow down a refund?

- Filing a paper return
- An error on your return
- Claims that require extra review

When can I start checking the status of my return?
Wait at least:

- 72 hours for electronic filings
- 6-8 weeks for paper filings
